# Welcome to Medihire & Sales.

## Helping you to live safely and independently.

For self-esteem and happiness, remaining independent and active is precious to us all. By enhancing your ability to perform daily activities, our mobility products and home care aids will help maintain your sense of self and personal freedom.

After 22 years supplying the WA community, our goal hasn't changed: to offer excellent customer service combined with quality products.

**The addresses and maps for each of our 4 stores are on the back cover of this catalogue.**

Not every product we stock is shown in this catalogue. So if you don't see what you need, please call us, check our website, or visit one of our 4 Perth Metro stores.

### Registered NDIS Provider.

If you're eligible,  
we can assist  
with all you need.

## DVA.

Allianz Global Assistance appointed supplier and service partner for WA.

Medihire & Sales is an appointed supplier and service partner of Allianz Global Assistance for the WA region. Allianz Global Assistance are nationally contracted partners for the provision of product and services for the DVA, RAP (MFS) program. To ensure our provision of equipment, please indicate Allianz Global Assistance (tick box) & Medihire & Sales Equipment as your preferred equipment provider on your DVA MFS Direct Order form.

**DVA Cards  
accepted here**

# We can make life easier for you.

## In-home demonstrations and hire before you buy options available.

For scooters, power chairs and recliner-lift chairs, you can hire first. Or ask for an in-home demonstration prior to purchase. That way, you can be sure the product fits snugly, and operates safely, before you buy.

Our recommendation is to always test that a recliner-lift chair extends properly (unimpeded by other furniture

or objects) within the space you have selected for it.

Rest assured, our experienced and friendly staff will always give you the best advice. We ensure your new purchase works properly and is situated in the safest and most appropriate operating-space inside your home.

## Service & Repairs to all Scooters and Power Chairs.

Medihire & Sales has factory-trained technicians to provide warranty work, regular service or repairs to all makes and models of scooters, power chairs and most mobility equipment. We can pick up and deliver for jobs requiring in-house workshop maintenance and repair, or replace parts on-site at your home: depending on the nature of work required – and all at very reasonable rates.

## We offer prompt home delivery and installation.

We can deliver all products directly to your home, ensuring they are professionally installed and working to your complete satisfaction. We take pride in our work and always ensure that you're comfortable and happy with your new purchase.

\*Delivery charges apply.

Please be aware that due to international currency fluctuations, local market supply and demand issues and rising freight costs, all product pricing within this catalogue (though accurate at time of printing) is subject to change without notice. These increases are beyond our control, and we apologise in advance for any inconvenience that these price variations may cause.
